

SECOND ANNOUNCEMENT
The 9th International School-Seminar
Nonlinear Analysis and Extremal Problems (NLA-2026)
Irkutsk, Russia, June 22–26, 2026

Dear colleagues!

Matrosov Institute for System Dynamics and Control Theory SB RAS (Irkutsk, Russia), Krasovskii Institute of Mathematics and Mechanics UB RAS (Yekaterinburg, Russia), Mathematical Center in Akademgorodok (Novosibirsk, Russia), Novosibirsk State University, and Irkutsk State University are pleased to announce the **9th International School-Seminar «Nonlinear Analysis and Extremal Problems» (NLA-2026)**. The event will be held in Irkutsk, Russia, from June 22 to 26, 2026.

KEYNOTE SPEAKERS

The school-seminar will feature short lecture courses from leading experts in various branches of mathematics. Lecture courses will be given by

- **Stanislav Shaposhnikov** (Faculty of Mechanics and Mathematics, Lomonosov Moscow State University, Moscow, Russia);
- **Mikhail Gomoyunov** (Krasovskii Institute of Mathematics and Mechanics UB RAS, Yekaterinburg, Russia);
- **Hu Guang-Da** (Department of Mathematics, Shanghai University, Shanghai, China);
- **Li Shuguang** (School of Science, Dalian Maritime University, Dalian, China);
- **Liang Hui** (School of Science, Harbin Institute of Technology, Shenzhen, China).

REPORTS AND TOPICS

Talks should be presented in either Russian or English. The school-seminar will only accept reports that contain original research results on the following topics:

- Nonlinear analysis and its applications
- Partial differential equations
- Dynamical systems
- Calculus of variations and mathematical control theory
- Optimization
- Numerical methods

Each participant may be an author or co-author of no more than two talks, and only one of these may be solely authored by them. Talks that do not meet the requirements, miss the deadlines, or are irrelevant to the school-seminar's topic will not be considered. The Organizing Committee reserves the right to reject publication of any report without providing an explanation.
